

Customer Referral Program

If you are an existing customer of LAUDA-Brinkmann and you know someone who would benefit from the use of a high-quality LAUDA product, simply refer him/her directly to us. In return, you will receive a Discount Voucher for 10% off your next purchase order.

Receive your 10% Discount Voucher in three simple steps:

- 1 Refer your colleague or associate directly to LAUDA-Brinkmann
- 2 Request that they complete the quick-contact form below
- 3 Have them send this form and their respective purchase order along to info@lauda-brinkmann.com

After we ship the new instrument or complete the repair service for the new customer, you will receive the 10% Discount Voucher to use towards your next purchase. There is no limit to the number of referrals you may accrue—so don't hesitate, inform all of your colleagues. (Only one 10% Discount Voucher may be applied to each purchase order) Offer valid for the purchase of a new instrument or repair services of \$2,500 or more.
